Budget Figures Up For '60 in County

Randall County's budget for 1960, as adopted last week by county commissioners, is nearly $700,000, an increase of nearly $40,000 over 1959 budgeted expenses and nearly $100,000 over 1958 expenditures.

The budget, which was compiled by County Auditor E. T. Cummings, shows that the county will spend $695,968 during 1960.

Included in the budget are increases in salary for all county administrative personnel, which makes the administrative costs in the budget the largest single expense. Administrative costs also took the sharpest rise over 1959 budget expenses.

Salaries Big Factor

Some $31,490 more will be spent for administrative costs in 1960 than is budgeted for 1959, the budget shows. Salaries account for $111,340 of the $187,990 budgeted for administrative expenses in 1960.

Next largest expenditure for Randall County during 1960, according to the budget, will be capital improvements, where $118,400 will be needed for road construction and rights-of-way. Another $42,000 is earmarked for machinery and equipment, while $19,000 is tabbed for the courthouse and jail.

Road, Bridge Maintenance

Capital improvements for machinery and equipment will come from the road and bridge funds, while another $120,650 will be used for road and bridge maintenance in the precincts.

A breakdown of the four precincts shows that Precinct 1 has $90,946.05 budgeted for 1960; Precinct 2, $97,254; Precinct 3, $68,960, and Precinct 4, $129,265.98.

All of the precincts are expected to have surpluses at the close of 1959, which is added to and included in the budget for 1960.

Biggest Surplus in 4

The county auditor expects Precinct 1 to have a surplus of $3,180.05 on January 1, 1960; Precinct 2, $39,123.21; Precinct 3, $10,129.26 and Precinct 4, $39,319.98.

Cummings' figures reveal that $13,279 will be spent for charity and public service in 1960, while $82,159 is earmarked for judicial and law enforcement. Another $96,890 will be needed for debt service requirements.

Only one major item shows a decrease in the budgeted allotment for 1960. It is capital improvements, which is down $18,091 from 1959.

Budgeted Increases

Administrative costs show an increase of $31,490, charity and public service expenses will be increased by $2,378, judicial and law enforcement will be hiked by $7,481, maintenance operation by $13,000.

Nearly all of the money for running the county in 1960 will come from taxation. Some $353,280 will be raised through ad valorem taxes, and $175,000 will come from car registration. Another $45,390 will come from special county taxes.

In all, some $724,099 in revenue is expected by the county in 1960, which is more than $28,000 over the budget expenditures.

Officers of the newly-formed Committee for the Preservation of the Randall County Line discuss a plan of action at last week's election meeting of the group. The committee was organized to fight a proposal by the Amarillo Junior Chamber of Commerce to move the Randall-Potter County line 7.4 miles south. Officers of the committee are, from left to right, B. R. Jones of Amarillo, secretary-treasurer, L. A. Pitt of Amarillo, chairman, and Bob Bellah of Canyon, co-chairman.

☆ ☆ ☆

Group Ready to Fight Shift Of Line; Petition Querried

Organization of the Committee for the Preservation of the Randall County Line was proceeding this week although it appears that a number of the signers of a petition asking for an election to move the Randall County line 7.4 miles south are not bona fide voters.

First steps in the organization of a group of citizens to protect Randall County interests in the event the election is called began two weeks ago when committees of the Canyon Chamber of Commerce and Canyon Junior Chamber of Commerce met to discuss the issue.

Officers to head the organization were elected last Thursday night at the courthouse annex in Amarillo and the officers adopted the name of Committee for the Preservation of the Randall County Line at a Saturday afternoon meeting.

Pitt Voted Chairman

Elected chairman of the group was L. A. Pitt of Amarillo. Bob Bellah of Canyon was elected co-chairman by acclamation, while B. R. Jones of Amarillo was named secretary-treasurer.

One of the first acts of the officers was to appoint Avent Lair, Randall County criminal district attorney, as a committee of one to gather facts to prove that South Amarillo has nothing to gain by being annexed to Potter County.

Lair said Tuesday that it now appears that 12 or 14 signers of the petition asking for the annexation election did not pay their poll taxes.

To Rule This Week

It was first announced that 17 signers of the petition had not paid poll taxes, but Lair said "two or three have paid their tax and their names appear at irregular places on the poll tax list."

Judge Roy Joe Stevens said Tuesday that he would rule later this week on calling the election.

However, if there are not 50 voters on the petition, it is invalid and Judge Stevens can refuse to call the election on those grounds.

Attorney Lair issued a "Rebuttal to Amarillo JC Propaganda" after delving into the charges leveled by the Amarillo group.

Controls County Court

On the tax question, he said, "South Amarillo now has control of the commissioners' court in Randall County and the commissioners' court can re-evaluate and equalize so that the tax rate, valuation and equalization cn be made to reflect the wishes of the people of South Amarillo."

He said that after the recent redistricting, South Amarillo can now elect two commissioners and the county judge which would give them control of commissioners' court.

"If part of Randall County were annexed to Potter County, the part annexed would not have more than one commissioner on the Potter County court, which would give the people in South Amarillo very little to say about what happens in Potter County."

100% Better in Randall

On the law enforcement issue, Lair says there is 100 percent better law enforcement in Randall County and that trials are speedier and heard by "high quality juries selected from Canyon and the better part of Amarillo."

Judges of the two counties, he says, have "exactly the same legal background," but the Randall County judge has "three or four times as much time to devote to juvenile matters because there are so few juvenile matters in Randall County."

The criminal district attorney feels that changing the line will not solve anything, because "within a few short years the area from Amarillo to Canyon will be developed solidly on either side of the expressway. Changing the line . . . would only create hard feelings . ."

Would Lose $75,000

Lair also pointed out that $75,000 of auto license fees would be lost to this area because Potter County can only retain $175,000 in license fees.

In addition, residents of South Amarillo would have to shoulder their pro rata share of Randall County's debt, and also would have to assume the pro rata share of Potter County's present and future indebtedness.

Lair ended his rebuttal with, "This proposal (to move the county line) is very poor business for the businessmen in Amarillo because the very nature of the proposal is repugnant to the smaller communities of the Panhandle. These smaller communities have expressed and are expressing resentment to the idea of the big dog trying to swallow the pup."

Attended by 29 Persons

Twenty-nine persons were present at last Thursday's meeting of the Committee for the Preservation of the Randall County Line, with five from Canyon and one from Umbarger attending. The rest were residents of South Amarillo.

Canyonites at the meeting were Dr. J. Manly Bryan, who served as temporary chairman, Bellah, Lair, and Mike Morris and John Carlile of the Canyon Jaycees.

Raymond Batenhorst was the Umbarger resident at the meeting.

Not Against Progress

At the meeting, Paul Carson, one

15 Bands To March In Parade

Preparations are continuing for West Texas State College's Golden Anniversary Homecoming parade, scheduled November 7 at 10:30 a. m., according to Dr. Jack Walker, chairman of WT's homecoming committee.

A total of 15 bands and six riding clubs has been invited to take part in the parade, which will be televised.

Bands in the parade will be WT's Buffalo Band, Canyon Junior High School, and bands from Canyon, Pampa, Claude, Sundown, Sudan, McLean, Kress, Lefors, Friona, Dumas, and Floydada High Schools.

Riding clubs invited to participate are Hutchinson County Sheriff's Posse, Amarillo Range Riders, Dalhart XIT Riders, Hereford Riding Club, Pampa Riding Club, and Plainview Sheriff's Posse.

Merchants entering floats in the parade must have their entries in to Roland Black, executive secretary of the Chamber of Commerce, by November 2. Only floats may be entered in the parade.

The parade will be televised by KVII-TV of Amarillo.

Theme of the parade will be "Golden Anniversary."

Traditional Western Week, which opens the Homecoming celebration, will begin the morning of November 5. An assembly program is scheduled that morning, with KVII to televise the assembly.

During Western Week, students and faculty alike must wear at least three articles of western clothing.

Saturday will be the highlight of Homecoming week, with the parade, an old-fashioned barbecue at 12 noon, an afternoon football game against Virginia Tech, departmental open houses, club smokers and teas, and a dance.

Registration of exes will begin at 9 a. m. in the Administration Building. Honor classes will be the classes of 1910 and 1934.

Catered by Walter Jetton's Foods of Fort Worth, the barbecue will begin at 12 noon at old Buffalo Stadium. Tickets are $1.25 and are available at the Chamber of Commerhce office.

Departmental open houses, teas and smokers will follow the game, and a dance will be held at 8 p. m. in the field house.

Court Transacts Routine Business

Routine business transactions marked a quiet meeting of the Randall County Commissioners' Court Monday.

The City of Canyon was granted easement to put an eight-inch sewer line across 8th Street between Tenth and Eleventh Avenues, subject to the city's assuming responsibility and liability during construction. Mayor Charles Donnell represented the city in seeking the action.

One half of 8th Street is within the city limits, and the other half is outside.

The county commissioners referred Frank Millican, a representative of Pan-Tex Outdoor Advertising who was seeking compensation for moving three billboards off right of way for the Amarillo Expressway to A. W. Lair, criminal district attorney. The commissioners agreed to pay for moving the signs if the county was obligated, but wanted Lair to investigate the extent of their obligation.

The billboards are located within 1,500 yards of Western Avenue on right of way purchased by the county for the expressway.

Vandergriff, Hair Tie on Tie-Breaker In Weekly Contest

Two entrants tied on the tie-breaker score in The Canyon News' football contest last week and will share the $5 merchandise certificate.

Tied for the most correct winning teams were Vaughn Vandergriff and Carl E. Hair with 15. Each missed the score of the West Texas State-Mississippi Southern game by nine points.

Mrs. Bill Hand, Lowell H. Harrison, and Mrs. Dick Rhoades chose as many winning teams as the winners, but missed the tie-breaker score by a greater margin.

Vandergriff predicted a score of Mississippi Southern 30, WT 8, while Hair's prediction was Mississippi Southern 35, WT 13.

Shakespearean Show Due In New Theatre

First production in the new Fine Arts Building theatre at West Texas State College will be Shakespeare's immortal comedy, "A Midsummer Night's Dream."

The play is scheduled to open October 21 and will be presented each night through October 23 at 8 p. m., with a matinee performance slated at 2 p. m. October 24. Admission will be $1 for adults, 75 cents for students, and 50 cents for children.

"A Midsummer Night's Dream" will be the fourth Shakespearean show to be presented at WT within the past two years. Previously given were "As You Like It," "The Merchant of Venice," and "Hamlet." The shows were all highly successful and had better drawing than most modern plays given during the same time.

Assisting William Moore, dramatics director, will be Robert L. Antrim as technical director, and Penny Cox, a sophomore from Amarillo, chief costume designer.

Shakespeare's comedy concerns what happens when the king of the elves decides to take a hand in a mortal love affair. Mix this with an arrogant fairy queen who openly wars with her king and a band of peasant laborers who turn actors in honor of the Duke's wedding day, and set it all against the splendor of an Athenian court, and you have one of Shakespeare's most delightful fantasies.

Cast of the play can be divided into three categories: the court, the out-of-this-world characters, and the laborers-actors.

In the court are Thesus, duke of Athens, Truman Dunahoo of Muleshoe; Hippolyta, queen of the Amazons, Marian Forbau of Quanah; Egeus, Morris Westberry of Dimmitt; Hermia, Jo Beecher of Dimmitt; Helena, Barsha Fowler of Dalhart; Lysander, Gary Wyatt of Dimmitt; Philostrate, Ray Hennigh of Darrouzett; and Demetrius, James Hinkley of Pampa.

The elves include Oberon, Avent Smith of Amarillo; Titania, Marty Hinson of Groom; Puck, Eddie Thomas of Amarillo; and Titania's attendants, Pattie Fawbush of Amarillo, Pat Hilton of Pampa, Barbara Meyers of Canyon, Melda Ramsey of Amarillo, and Marcella Chandler of Littlefield.

The Hempen Homespuns are Quince, Leon Stephens of Dumas; Snug, John Gilliland of Hereford; Bottom, Jerry Ballew of Perryton; and Starveling, Morris Westberry of Dimmitt.

Other attendants include Truman Laughery of Canyon, Jimmy Haiduk of White Deer, WAM Moore of Canyon, Jeri Stark of Pampa, and Penny Cox of Amarillo.

One of the social co-chairmen of the freshman class at Hardin-Simmons University is Mayla Atkinson, right front, daughter of Rev. and Mrs. Strauss Atkinson of Canyon. Other class officers pictured are Ann Cole of Frederick, Okla., reporter; Hilton Hemphill, left, of Abilene, class president, and Bobby Gilbreath of Frederick, the other social chairman. Rev. Atkinson is pastor of Canyon's First Baptist Church.

Buff Pass Defense Gets Test Saturday

Something has to give Saturday night when the Border Conference's No. 1 passing team, Hardin-Simmons, collides with the league's top pass defenders, West Texas State.

The game, scheduled for 8 p. m. in new 20,000-seat Buffalo Stadium, also will pit two teams that have lost five straight outings this season.

Coach Sammy Baugh's pass-minded club has dropped decisions to North Texas, Wichita, Auburn, Georgia, and Tulsa in rugged competition. The Buffs, likewise, have been winless in tough company, bowing to North Texas, Arizona, Arizona State, Texas Western, and Mississippi Southern.

Despite the 0-5 record, the Cowboys have maintained an impressive passing offense, a trademark of Coach Baugh, the greatest slinger of them all with the Washington Redskins. Hardin-Simmons has topped the conference all season in that department and currently ranks among the nation's top 10 teams with an average of 145 yards per game.

Top Pass Defenders

Although the Buffs have had little to shout about, their pass defending has been tops in the conference and, two weeks ago, ranked sixth in the nation among major schools. Coach Clark Jarnagin's Herd has allowed only 76 yards per contest through the air.

The Cowboys' strong aerial show has produced the loop's No. 1 pass-receiver, sophomore Sammy Oates, with 15 catches for 141 yards.

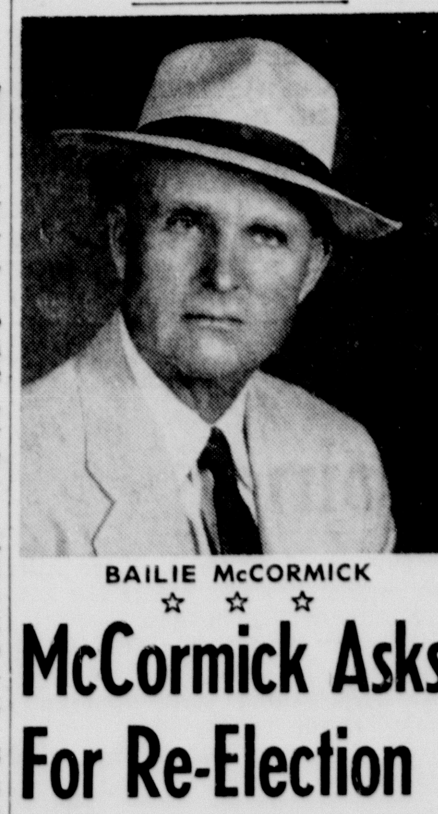
Another interesting sidelight to Saturday's game may develop in this department, however, since Fred Hedgecoke, West Texas end, is pressing Oates with 14 receptions for 163 yards and three touchdowns.

Two More Receivers

Two more Cowboys are third and fourth in conference statistics and are close enough to overhaul both Oates and Hedgecoke. Halfback Charles Bowers, the Cowboys' top ground-gainer, has snagged 13 passes and end Bill Voss has caught 10 through the air lanes.

West Texas came out of its 37-6 loss to rugged Mississippi Southern in good physical condition. Freshman tackle Paul Langdon, who handles only kicking chores for the Buffs, broke a finger on an extra-point effort for the only major casualty. Langdon was chasing the ball after a wild pass from center when he was injured.

Saturday's conference game, only the third in the Buffs' glamorous, modernistic stadium, will be Hardin-Simmons' all-school trip. Some 500 students will travel to Canyon for the game and the school's famous "Six White Horses" and Cowboy Marching Band will perform at half-time.



BAILIE McCORMICK

McCormick Asks For Re-Election

B. E. "Bailie" McCormick has announced as a candidate for Commissioner of Precinct 1, second term, with the following statement:

"I wish to take this means to announce my candidacy for the office of Commissioner of Precinct 1, second term. My record as commissioner of Precinct 1 for the past three years speaks for itself.

"I will try and see every voter in the precinct, which includes the northeast one-fourth of Randall County, before the coming election. I will sincerely appreciate your vote and support."

Post 66 Ending 'Operation Oil'

Two big events are on tap for members of Explorer Post 66 of Canyon within the next week as the scout project, "Operation Oil," draws to a close.

"Operation Oil" is the competition for a $1,000 award from Sears, Roebuck Foundation to the explorer post conducting the best six-month program on phases of the oil industry.

The project will end Tuesday with a forum on "Career Preparation and Career Opportunities in the Petroleum Industry" in the Fine Arts Building of West Texas State College at 7:30 p. m.

Dr. James P. Cornette, president of WT, will moderate a panel of speakers which includes Joe A. Gibson, superintendent of Canyon schools, Dr. Walter H. Juniper, WT dean, and J. H. Dunn, president of the Shamrock Oil and Gas Corporation.

The explorers of Post 66 will make a tour of the Texaco Refinery in Amarillo Friday afternoon, following a talk given in Canyon by Roy Wood, Texaco chemist, on "Refining Oil and Refined Products."

Next Tuesday's program, to which parents of the scouts have been invited, will see the educators discuss curricula and college requirements for the fields represented in the petroleum industry.

Dunn will stress industry requirements of the graduate and opportunity for him in the petroleum industry.

Formal speeches will be brief, allowing ample time for Dr. Cornette to accept questions from the audience.

The Canyon post has extended an invitation to all explorers of the Panhandle area to attend the meeting.

Following the tour of the Texaco refinery Friday, the explorers will be guests of Amarillo Air Force Base, where they will spend the weekend.

Airplane rides, Link flight training instruction, and athletic competition Friday and Saturday are a few of the events planned for the scouts.

Freedom's Guardian

National Newspaper Week ends today. And newspapers throughout the nation, both weekly and daily, have used this week to tell their readers what the aims, ideals, accomplishments, and hopes of the newspaper are.

The week's central theme, "Your Newspaper . . . Freedom's Textbook," has received much attention.

Governor Price Daniel has sent out an official memorandum as "an appropriate reminder of the fact that a free press is one of the foundation stones of American democracy. The free flow of information to the public," he says, "is essential to the preservation of our American way of life, yet this privilege is too often taken for granted by a people accustomed to individual freedom. When our forefathers guaranteed the right of Americans to own and control a printing press without government subservience, they assured us a right often denied people of other countries. It is a right we must preserve and protect."

Weekly and daily newspapers preserve and protect that right with every issue. Usually it is done without fanfare, or any mention of freedom of the press.

Newspapers protect that freedom for their readers by reporting governmental decisions and activities, as well as other events which interest the public.

There are some newspapers in this country, it is sad to relate, which misuse that freedom guaranteed them in the 18th Century. There are many, many more newspapers, however, which go to great lengths to be as objective as possible in their news columns.

This is one objective of *The Canyon News*. The News' objectives are simple. We shall present the news as accurately, as fairly, and as free from bias as possible. We shall strive to print the news which, in our judgment, contains the most interest for residents of Canyon and Randall County. We shall strive to present news for and about our readers which cannot be found in any other newspaper.

Sometimes this is not possible, but if it is something which our readers should know, we print the story.

In the months and years ahead, *The News* will continue to print the news within the framework of *The News'* objectives.

To do less than that would be a disservice to the readers of this newspaper.

(OG)

How Do You Vote?

A couple of weeks ago, Senator Lyndon B. Johnson sent out a questionnaire to those on the mailing list for his "Washington News Letter."

The questionnaire dealt with questions vital to every American, be he Republican or Democrat, regardless of whether he does or does not favor a "draft" of the senior Texas senator as the Democratic nominee to the presidency.

In the off chance that readers would like to have the senate majority leader know their feelings on the subjects, here are the questions asked by the senator:

1. Do you think Nikita Khrushchev's visit to the United States succeeded in converting Americans to communism?

2. Do you regard Nikita Khrushchev's disarmament proposal as an adequate excuse for relaxing our defense program?

3. Do you believe that the United States should accept any disarmament proposal which does not include adequated controls to insure good faith on all sides?

4. Our military leaders tell us that there is a time in the foreseeable future when our country *must* go on a continuous air alert to have adequate protection against communist surprise attack. This will cost an extra $600 million the first year. Do you believe we should spend this money?

Senator Johnson asked for yes or no answers to the questions. Reply to 207 U. S. Courthouse, Austin.

★ ★ ★

Standing Up to Be Connted

People expect a newspaper in their community to stand up and be counted when a controversial issue is presented, and every time a newspaper does, it can expect to please only a portion of its readers, because there are always two sides to nearly every question.

Still, a newspaper that expects to call itself a newspaper must have an active editorial voice, and in order to accomplish this, it sometimes makes enemies.

A newspaper should give endorsement or opposition to controversial issues on the local, county, state, and national levels. A newspaper that consistently rides the fence, or devotes its editorial voice in support of the flag, God, motherhood, the church and public schools may be taking the easy way out, and may not make enemies, but it exerts very little influence, either.

Of course, there are extremes. There are newspapers who go out of their way to create issues, who keep things stirred up constantly, who sometimes stretch the truth a bit to create excitement for their readers. These, too, fail to exert the influence they should and fail to exert the leadership which a newspaper should provide.

A newspaper is a business, but different from other types of business. Many people in business will not express their opinion because they are afraid some of their customers or patrons will take offense and quit trading with them. And lots of time this is true.

A newspaper is different. Its customers are the advertisers, and an advertiser knows that the newspaper is a vehicle for his advertisement and it doesn't make a bit of difference to the successful advertiser if the newspaper owners go to the same church, hold to the same political views, belong to the same clubs, or drive the same kind of automobile as long as that advertisement gets results.

The news pages and advertisements are separate. This is the principle upon which the free press of this nation was built, and it is the principle upon which we operate today.

(Ochiltree County Herald)

What Our Neighbors Say . . .

Scissor Snipping

Bascom Nelson in the Castro County News: For years, off and on, the Castro County News classified columns have been graced by a name untarnished by pretentious dignity or subtility — "Old Man" Jordan, self-acclaimed world's best saw sharpener, got back in the groove last week after a long absence. His classified read: WANTED—to swap one good red wool hat for two or three suits of longhandle underwear and get the difference in cash. Yours Truly, Old Man Jordan.

Attesting to the pulling power of Castro County News classifieds, Mr. Jordan brought the following bit in this week: NOTICE TO THE PUBLIC — I have been supplied with three good suits of long handle underwear by a good friend, and I also get to keep my red hat. But if I fail to get married soon, I might trade it for a real nice cook's apron. Yours truly, Old Man Jordan.

The proud owner of three suits of longhandles just before the winter sets in has been a carpenter for longer than most of us can remember and lately has taken up saw sharpening and apparently wife-hunting on the side.

Good humor makes the world go around.

☆

Douglas Meador in the Matador Tribune: Printers know there is music in the sound of presses and linotypes in operation. It is a strange music that lifts the spirit of the craftsman like a happy mother's humming at her work. Perhaps the harmony springs from the messages, the ideas and dreams created in the environ of the print shop, as they start in uncharted orbits.

My affinity for work has never been so overpowering that I would neglect considering some possible escape from its domineering necessity.

I GIVE YOU TEXAS

Remember When Post Office Boxes Had Windows But Wouldn't Open?

By BOYCE HOUSE

Can you remember when a representative of the weekly paper in a little town was at the depot at train time to get "personals" about who was leaving and who was arriving?

And do you recall when a small town post office had boxes that did not open? They were covered with window-glass. You could see if you had any mail. If so, you asked for it at the delivery window. If you had no mail, you went on about your business. Only thing was, if you visited the post office "after hours" on Sunday and there was a letter in your box, it was "so near and yet so far." You would have to wait till next day to get it and you wondered and worried meanwhile.

Usually, it turned out to be of no importance.

Turning through the forgotten biography of a forgotten man, Senator Foraker of Ohio, I came across this passage, speaking of President Benjamin Harrison:

"He was one of the ablest men who ever occupied the White House . . . Someone truthfully said he had a great faculty for measures but none for men. Nearly everyone who called upon him came away with the feeling that he had been an unwelcome visitor . . . This made him much trouble, so much so that it was with difficulty he secured a re-nomination. The defeat that followed was due almost altogether to the fact that, while everybody had great respect and admiration for his integrity and ability, nobody had any enthusiasm for him personally."

☆

A pound cake is called a pound cake because 16 ounces of one weigh exactly a pound.

☆

And a "Cincinnati bankroll" is a large bill wrapped around a lot of one-dollar blils.

☆

Foraker also quotes Mark Hanna, the Ohio Senator and political power who made McKinley president, as saying of Theodore Roosevelt, "That lunatic in the White House."

PADDLE SADDLE SPORTSWEAR

STATE CAPITAL Highlights AND Sidelights

by Vern Sanford

TEXAS PRESS ASSOCIATION

AUSTIN, —This time three years ago nearly every newspaper in the state was writing about "the water problem."

It was a discouraging time Texas had come through a scorching, dusty summer that forced many farmers to leave their crops in the fields and hunt work in town.

Ranchers were equally hard hit. In many cases, due to lack of feed, they sold their breeding cattle, lost their land or went heavily in debt.

It was the climax of the most widespread drought ever recorded in this region. Average rainfall for the year dwindled to 16.2 inches, second lowest figure since 1888.

Office seekers in the campaign year of 1956 had a good deal to say about how hard they would work to "solve the water problem." Many did work hard.

But three years later the water problem is still far from "solved."

By the time the Legislature met in 1957, the rains had begun. It rained so much that many people, of necessity, became more interested in flood relief than drought relief.

Three major water measures were passed in 1957, however. These measures:

(1) Set up the Texas Water Development Board with a $200,000,000 fund to make loans to help pay for local water projects.

2) Established a planning division in the State Water Board to do research on water needs, but without authority to recommend an overall plan. Appropriation was $900,000, instead of the $1,200,000 recommended by the governor.

(3) Gave the Water Board authority to contract for water storage space in federal reservoirs, with legislative approval.

Last two of these was passed only after Governor Daniel re-submitted them at a special session. And then they almost went under when a city-farm fight developed on the side issue of whether farmers should be able to dam up small lakes and use them for irrigation.

This year the Legislature inched up the Water Board budget by $200,000. But the $2,037,000 appropriation was $800,000 less than requested by the governor.

As yet, the Water Development Board has made no loans for construction. Engineers in the State Water Board's planning division are working on a statewide report due in 1963, and a federal commission is also making a study. But legislators are skittish about having anything that might be called a definite state plan for fear it will set sectional jealousies aflame.

So dear is water to most Texans' hearts that almost any move by anyone to do anything with some of it is sure to be interpreted by a neighbor as "grabbing."

Guadalupe-Blanco River Authority and the City of San Antonio had a long, bitter hassle over the Canyon Dam project.

Right now, the biggest fight is on the Trinity. After months of bickering, the City of Houston and the Trinity River Authority agreed to cooperate in building a dam at Livingston.

Now the San Jacinto River Authority is protesting. SJRA officials are telling Houston people that Trinity water is of "poor quality" and that San Jacinto water could be developed at much lower cost.

Amid it all, engineers and business analysts have some sobering reminders:

(1) Drought of the 1950's cost Texans $3,000,000.

(2) Another drought is coming and when it does, population will be greater and water needs higher.

(3) Water to carry the state through a drought can only be stored up in rainy years, and three of those "good" years have already passed.

FIRM FOUNDATION

There is no limit to how high a man may climb, but he must always start from the ground level.

Three-year-old Craig Cristy poses with Canyon High cheerleaders following the school's weekly pep rally in the gym. With Craig, who is the mascot of the cheerleaders, are, standing from left to right, Kay Boydstun, Judy Taylor, and Nedra Fanning; kneeling, from left to right, Kay Jarnagin, Gloria Buchanan, and Sally Jennings. Craig, son of Mr. and Mrs. George Cristy, assists the cheerleaders at the weekly rallies.

Washington Report

Was Barnum Right?

By Representative Walter Rogers
18th Congressional District

P. T. Barnum, of the famous circus team of Barnum and Bailey and probably the greatest showman in the history of this country, or perhaps the world, was once quoted as saying: "There's a sucker born every minute."

He proceeded to prove the statement by amassing several fortunes on the gullibility of man, as well as his desire to be entertained. There are many people in show business who believe this statement is still true and, with the increase of population, a much more fertile field for operation is provided; that is, if the fixed, rigged, and phony television quiz shows can be considered a yardstick.

For the past several days the Subcommittee on Legislative Oversight of the Committee on Interstate and Foreign Commerce, of which I am a member, has been listening to testimony from a varied group of characters, some of whom have openly admitted they committed a perjury before a New York grand jury, some of whom feel very badly about participating in shows which deceived the American public, and some of whom openly admitted they engaged in these practices of deceit and false representation but felt they were all right, not immoral or unmoral in any degree, and would still be doing it if they had not been caught.

To Sell a Product

Some openly admit they obtained the services of minors in the carrying out of this shady, deceitful, and morally fraudulent practice. The general justification on the part of most of them seems to have been that their job was to provide entertainment and sell a product. They take the position that so long as they were doing this, all other matters were secondary, including the moral issues surrounding the fixing of a contest.

A woman contestant who won several hundred dollars, in answer to one of my questions stated she could see nothing wrong with the fact that the program had been fixed, that the producers knew what the outcome would be, that she was a party to the scheme and aided and abetted in carrying it out.

Why Worry?

She based her conclusion on the fact that she was having a good time, the American public was enjoying the show, the sponsors and producers were happy, so why should anyone worry? This appears to be the general trend of thinking of a great number of those participating in these programs. These testified they could not see any similarity between the fixing of a basketball game, a baseball game, a football game, or a boxing match, and the fixing of a battle of wits in a television program.

They stated there was a great deal of difference, but none came up with even a remote basis for that conclusion. One witness testified the difference was in the fact that a television program had a sponsor, while a boxing match had none. Another stated the difference lay in the fact that in a baseball game the players are salaried, while the contestants in a television quiz program are after prizes. I must confess these reasons do not make sense to me as being even remotely connected with the question of honesty and dishonesty.

Fair, Honest Contests

The fact of the matter is that the American public has been led to believe these quiz programs were fair and honest contests between two unrehearsed contestants in a battle of wits or mentality. A boxing match is a physical contest between two individuals who employ their fists, under certain rules.

The physical activities coupled with the mental processes could be applied to all other contests. They are all performed at least partially for entertainment. The American public is entitled to assume that neither of the contestants has been afforded an unfair advantage. Any arrangement creating a contrary situation is a fraud upon the spectators, whether they be sitting in the stands of a football stadium or in a comfortable chair in their living room watching television, and any person who is a party to such a scheme or device, whether he be the owner of the show, the sponsor, the network, the station owner, or a contestant is guilty of a flagrant, dishonest misrepresentation to the viewers of the contest or the program.

No Moral Responsibility

The main concern of a number of these people seems to be the possibility of criminal prosecution, rather than their moral responsibility and obligation. It is entirely possible they may not be held criminally liable because of the absence of particular statutes on this subject. However, it is my belief these hearings will result in the adoption of legislation which will control the activities of those who seem to believe that anything is all right as long as you can get away with it.

One of man's greatest jobs has been to protect himself from himself. Hence, if Barnum was right, we "suckers" need some laws to protect us.

HERE'S WHAT MAKES the CORVAIR REVOLUTIONARY

Short and sweet! Engine's in the rear—where it belongs in a compact car. With more weight on rear wheels, you get extra road-gripping traction for cornering and driving on ice, mud or snow. Also, by avoiding nose-heaviness of front-engine compact cars, Corvair handles easier, brakes better, rides smoother. Styling of both 4-door models is clean and uncluttered . . . as fresh and functional as modern architecture.

AIR COOLED
You never have to fuss with antifreeze. Turbo-Air 6 warms up quicker, with less wear on parts. Airplane-type heater* goes to work almost instantly.
*Optional at extra cost.

Revolutionary Rear Engine
works small miracles with mileage. It's the world's first production 6 with the ultra-smooth power of horizontally opposed pistons.

Unipack Power Team
Engine, transmission and drive gears are neatly wrapped in one lightweight package. Takes less space, leaves you more.
UNISTRUT BODY BY FISHER
Body and frame are combined into a single rigidly constructed unit that reduces Corvair's weight, enlarges its passenger space.

Practically FLAT FLOOR
Corvair is America's only compact car with a virtually flat floor that gives you full 6-passenger comfort. For extra space, folding rear seat* converts easily to make room for 17.6 cu. ft. of cargo.
*Optional at extra cost.

TRUNK'S UP FRONT
Lots of luggage space under the hood, where it's convenient for groceries, packages.
NEARLY 3 FEET SHORTER
Corvair's almost 5 inches lower, 1,300 pounds lighter, too. Its compact size makes it a joy to jockey through traffic, a pleasure to park. No need for power assists.

4-Wheel Independent Suspension
Springs at each wheel cushion bumps independently of each other for a ride that rivals much costlier cars.

...and the most practical thing of all is Corvair's LOW PRICE! see it drive it
Corvair BY CHEVROLET
the happiest driving compact car

AND THE HAPPIEST DRIVING COMPACT CAR you ever drove!

There's nothing like a new car—and no compact car like this de luxe Corvair 700

Sylvia Brown Hosts Canyon H.D. Club

The Canyon Home Demonstration Club heard Mrs. M. T. Maddox of the Westside Home Demonstration Club report on her trip to Galveston at their meeting this week. The group met with Mrs. Sylvia Brown Friday.

Mrs. Maddox discussed the 33rd annual meeting of THDA at Galveston. Civil defense, disadvantages of socialized medicine, rising taxes, and club interest in political issues were topics used. Mrs. Blaine Hufnagle of the Pleasantview Home Demonstration Club assisted Mrs. Maddox by passing out materials brought back from the meeting.

Refreshments were served to 10 members and the guests.

Mr. and Mrs. J. L. Riley of Canyon announce the engagement of their daughter, LaVerne Riley, to Harold Hendrick, son of Mrs. D. O. Bradley and the late John F. Hendrick of Odessa. The wedding will be in the Joseph A. Hill Chapel at West Texas State College on November 25.

Mrs. Green Heads Band Parents Club

Mrs. Vernon Green was elected president of the Canyon High School Band Parents' Association when the group met Sunday afternoon at the band house.

Other officers elected are Mrs. S. P. Burgess, vice president; Mrs. J. E. Boyd, secretary, and Mrs. C. J. Hughes, treasurer.

Mrs. Fern Newton, retiring president, presided during the election. The group voted to sponsor the annual band banquet which will be held in April.

Group Ready - -

Continued From Page 1

of those nominated to chair the organization, asserted, "I'm not against progress, but I am against change just for the sake of change.

"I believe a group of people are just looking for some personal publicity and they're trying to create turmoil about something that's none of their business."

Officers of the committee are to call another meeting as soon as additional action is necessary. However, another meeting of the group had not been called Wednesday morning.

SOIL CONSERVATION DISTRICT NEWS

After harvesting the grain sorghum crop this year would be a good time to give some thought to wind and water erosion problems that have or may develop on your land.

Wind erosion can be controlled by leaving approximately 1,500 pounds of residues on the surface of the soil through the critical wind erosion period (about April 1.) Water erosion can be controlled by a number of practices including diversions, waterways, terraces, contouring, and crop residue management.

Local soil conservation service technicians assisting your Randall-Potter Soil Conservation District are prepared to help you with erosion problems.

If you need help in solving soil and water problems on your farm or ranch contact your soil conservation district supervisor or the soil conservation service technicians in the Randall County courthouse.

☆

R. C. Sampson, Jr., was re-elected supervisor of sub-division No. 1 of the Randall-Potter Soil Conservation District. The other supervisors are J. W. Spencer, C. V. Conatser, Marshall Rockwell, Jr., and Frank Begert.

The regular meeting of the district is the first Tuesday night of each month at 8 p. m. in the Randall County courthouse. The public is invited to attend these meetings.

TEL Class Meets In Crawford Home

The T.E.L. class of the First Baptist Church met Monday with Mrs. L. H. Crawford.

Mrs. S. L. Terry gave the devotional from Chapter 4 of Exodus. Members voted to keep the same officers for another year. Mrs. John Davis told a story of a child's prayer and its answer.

A social hour followed with refreshments of cocoa, sandwiches, and cake being served to Mrs. Terry, Mrs. R. C. Yarbrough, Mrs. W. S. Whorton, Mrs. Lottie Suggs, Mrs. Nora Murphy, Mrs. D. P. Clark, Mrs. Davis, Mrs. C. H. Stratton, Mrs. R. E. Gill, Mrs. J. W. McCulley, and the hostess.

The man who is let in on the ground floor usually finds there is no roof over it.

Poverty is no disgrace—it's just unhandy and gets monotonous.

Sloan-Sumner Vows Exchanged Recently

Mrs. Irene Sloan Duke is announcing the recent marriage of her daughter, Mary Ann Sloan, to William Richard Sumner of Oklahoma City, Okla.

Mrs. Sumner, formerly of Canyon, was graduated from Canyon High School and attended West Texas State College.

Mr. Sumner is a graduate of Oklahoma Baptist University and is a public accountant in Oklahoma City. Mr. and Mrs. Sumner are living in Oklahoma City.

Wayside Club Holds All-Day Meeting

An all day meeting, with a covered dish luncheon, was held Thursday by the Wayside Home Demonstration Club in Mrs. Jack Foster's home.

Mrs. Joyce Hughes reviewed the book, "White Mothers," and Mrs. Cortez McNeill demonstrated and discussed Halloween decorations in the home.

Special visitors were members of the Palo Duro-Rusk Home Demonstration Club near Canyon.

Mr. and Mrs. Hugh Bentley of 4635 Hayden, Amarillo, announce the engagement and approaching marriage of their daughter, Maurine, to Charles Wiley Conatser of College Station, son of Mr. and Mrs. Charles V. Conatser of Canyon.

Bowie Wesley and Gene Shipman attended the Future Farmers of America Convention in Kansas City the past week.

We had .10 of moisture Tuesday.

Madge Sutton entertained the Tongue and Thimble Club Thursday afternoon. A round table discussion on making Christmas gifts was the program. The next meeting will be the third Tuesday with Edna Wilson. Refreshments were served to Serena Bryan, Vergea Liston, Edna Wilson, Fern Wilson, Grace Schaeffer, Evelyn Shipman, Annie Wesley, five children, and the hostess.

C. P. and Frank Rogers were in Claude Monday on business.

Mr. and Mrs. G. E. Wesley and Mr. and Mrs. E. W. Schaeffer attended the homecoming at Wayside Sunday afternoon.

Visitors being welcomed at the church services Sunday were Mary Garcia, Mr. and Mrs. Richard Evans and Patricia Patterson.

Patricia Patterson visited her parents over the weekend. Other visitors in the John Patterson home were Mr. and Mrs. Shaw and Wayne of Groom.

John Bargo, an airman stationed at Wichita Falls, has been helping G. E. Wesley sow wheat. He returned to the base Monday.

Visitors in the J. W. Wesley home Sunday were Mr. and Mrs. Richard Evans, Pete and Mary Garcia, Mr. and Mrs. Hill Smith and their four boys, and J. A. Carr.

Mr. and Mrs. Richard Evans went to Adrian Monday to try to harvest maize and finish sowing wheat.

Charles Pierce preached for us Sunday morning, but his wife and son didn't come with him as Pat wasn't feeling well. She came Sunday night.

Mr. and Mrs. H. H. Shipman were surprised Saturday evening on their 24th wedding anniversary. Nan Earyle had been taking her final polio shot and was running a temperature at last report.

A great many more opinions are formed from rumors than from the facts in the case.

Political Announcements

Tax Assessor-Collector
PAUL FUNSTON
Justice of the Peace, Pct. 1
W. A. "BILL" WILSON
Commissioner Precinct 1
BAILIE McCORMICK, second term

Mr. and Mrs. R. E. White of Canyon are announcing the engagement and approaching marriage of their daughter, Joyce, to Richard M. Dickey of Seagraves, son of Mrs. Mae Dickey and the late Douglas C. Dickey. Vows will be exchanged December 19 in the Joseph A. Hill Chapel at West Texas State College.

Ronnie Harris Given Eagle Scout Rating

Ronnie Harris, son of Mr. and Mrs. Battle Harris, received his Eagle Scout rating recently.

Harris, who has an outstanding camping record, has made four Pecos Wilderness trips and one Canadian Canoe trip. He has camped overnight a total of 78 times. For the past two years, he has served as a patrol leader in Boy Scout Troop 66.

An active member of the First Baptist Church, Harris was president of both his freshman and sophomore classes at Canyon High School. He was a varsity member of the football team two years.

Idle Eagles Preparing For Game With Hornets

The Canyon Eagles get a rest this week from the football wars and Coach Bill Davis is readying the squad for the upcoming tussle with the Tulia Hornets next week.

The Eagles dropped their first conference encounter last week, 20-16, to Dalhart.

Re-Building of Buffalo Hoop Empire Underway

A new coaching staff and a young 10-man squad will attempt to rebuild West Texas State's once fabulous basketball empire.

The Buffs, who once carried the label "tallest team in the world" and became the first Southwest school to play in such basketball showplaces as Madison Square Garden, Chicago Stadium, and Philadelphia's Convention Hall, had their two worst seasons in history in 1957-58 and last year.

Metz LaFollette, 36, former Buff cager and molder of outstanding baketball team at Seminole High School, will have the job of bringing the Buffs out of the woods. He will be assisted by another former Buff star, James Scott, captain of the 1954-55 squad that shared the Border Conference title with Texas Tech.

Four Hoopsters Back

When drills opened Thursday, LaFollette had only four players returning from last year's squad that won just six of 22 starts. The previous season, West Texas had its worst record in an otherwise illustrious history, winning only three and losing 15.

No. 1 returnee to the West Texas camp is Mitt Fitts, 6-5 senior, who averaged 15.8 points and 11.9 rebounds per game last year while making All-Border Conference.

Other lettermen include Gene King, 6-5 senior forward, who had a 11.3 scoring average; 6-1 Keith Blair, junior guard who averaged 11.6 points, and 6-6 Jim Reid, senior center with a 6.3 scoring mark.

Five Sophs Training

Five sophomores and a transfer from Frank Phillips Junior College — 6-4 Frank Castleberry — round out the varsity squad. The sophs include Jim Conner, 6-8 Childress center; Jim Curtsinger, 6-4 Hereford guard; Jerry Bell, 6-3 Vernon forward; Henry Hardaway, 6-3½ Claude forward; and David Seal, 6-2 Childress guard.

Coach LaFollette, who took Seminole High School to the state basketball tournament five of the last six years, operates from a double post on offense. He prefers a man-to-man defense.

"I like for my teams to run if they get the opportunity," said the 6-4, slow-talking coach. "We always will be working for the shots that build high shooting percentages."

'No Comment' on Prospects

Coach LaFollette has "no comment" about the prospects of the 1959-60 Buffs. "I didn't get to see West Texas play a single game last year," he remarked, "and I won't know much about our personnel until they get under fire."

On the basis of what he has heard and read, the new Buff cage boss thinks Arizona State and New Mexico State definitely rate as the conference favorites. "I think the rest of us will be fighting it out for the second divisoin with Arizona possibly the strongest."

Coach Scott has a 11-man roster for his 16-game freshman schedule. On the squad are Pat Patterson, 6-5, Merkel; Jerry Lane, 6-5, Childress; Steve Slagle, 6-3, Hereford; Sonny Blankenship, 5-10, Gruver; Don Teague, 6-2, McAdoo; Bobby Shelton, 6-1, Hereford; Harold Doyle, 5-11, Seminole; Roy Perrin, 5-11, Andrews; George Pollock, 6-3, Lorenzo; Keith Lowe, 5-11, Dimmitt, and Wayne Chenault, 6-4, Lelia Lake.

The 1959-60 varsity schedule:

Dec. 1	North Texas State	T
Dec. 2	Houston	T
Dec. 8	Midwestern	T
Dec. 9	Midwestern	H
Dec. 10	Abilene Christian	H
Dec. 14	Eastern N. Mex.	Tahoka
Dec. 18	North Texas State	H
Dec. 30	Taylor University	H
Jan. 8	Hardin-Simmons	T
Jan. 9	Abilene Christian	T
Jan. 13	Okla. City Univer.	T
Jan. 30	Arizona State	H
Feb. 1	Arizona University	H
Feb. 6	Arizona State	T
Feb. 8	Arizona University	T
Feb. 11	Okla. City Univer.	H
Feb. 13	Texas Western	H
Feb. 15	New Mexico State	H
Feb. 20	Texas Western	T
Feb. 22	New Mexico State	T
Feb. 27	Hardin-Simmons	H

Lt. O'Donald Ends Ten-Week Training For Rotary Pilots

Army Lt. Robert E. O'Donald, 27, whose wife, Anita, and father, Ernest E. O'Donald, live in Canyon, recently completed the 10-week officer rotary-wing qualification course at the Primary Helicopter School at Camp Wolters, Texas.

The course is designed to train Army aviators in helicopter flying techniques and the employment of rotary-wing aircraft for observation missions.

Lieutenant O'Donald entered the Army in 1954.

A 1950 graduate of Canyon High School, the lieutenant attended West Texas State College.

FORMER DISTRICT JUDGE

New Chief Justice Serving Area In 7th Court of Civil Appeals

A new chief justice of the Seventh Court of Civil Appeals is now serving Randall County and 45 other Panhandle and South Plains counties after being sworn in recently in ceremonies in Amarillo.

He is Chief Justice James G Denton, for the past six years judge of the 99th District Court at Lubbock.

Governor Price Daniel named Denton last week for the appellate post to replace Chief Justice E. L. Pitts, who died last month. Gov. Daniel also named Howard Davison, Lubbock attorney, to replace Denton on the 99th district bench.

Unanimously Endorsed

Both Denton and Davison had been unanimously endorsed for their new offices by the members of the Lubbock County Bar Association.

A Texas Tech graduate, Denton received a degree in government from the Lubbock college in 1938, then graduated from the Texas University Law School in 1941.

During World War II, Denton was a Navy lieutenant, serving aboard mine sweepers. On his return, in 1946, he practiced law and was a part-time instructor in government at Tech.

Lubbock County commissioners named Denton the first judge of the newly organized county court-at-law in March, 1950, and he won an elective term which began in 1951. He continued in that office until elected 99th District judge, assuming that post in January, 1953.

Expresses Appreciation

In regard to his new appointment Denton has issued the following statement:

"I would like to express my appreciation to the governor for the confidence he has placed in me by entrusting me with this important post and also thank my many friends in this 46-county area who have supported me for this appointment.

"I will strive to fulfill the duties of the office in such a manner as will justify the confidence placed in me, dealing fairly and impartially with all parties coming before the court."

Denton and his wife have four children: Tommy 14, Monica 12, James, Jr., 9, and Mary Beth 7.

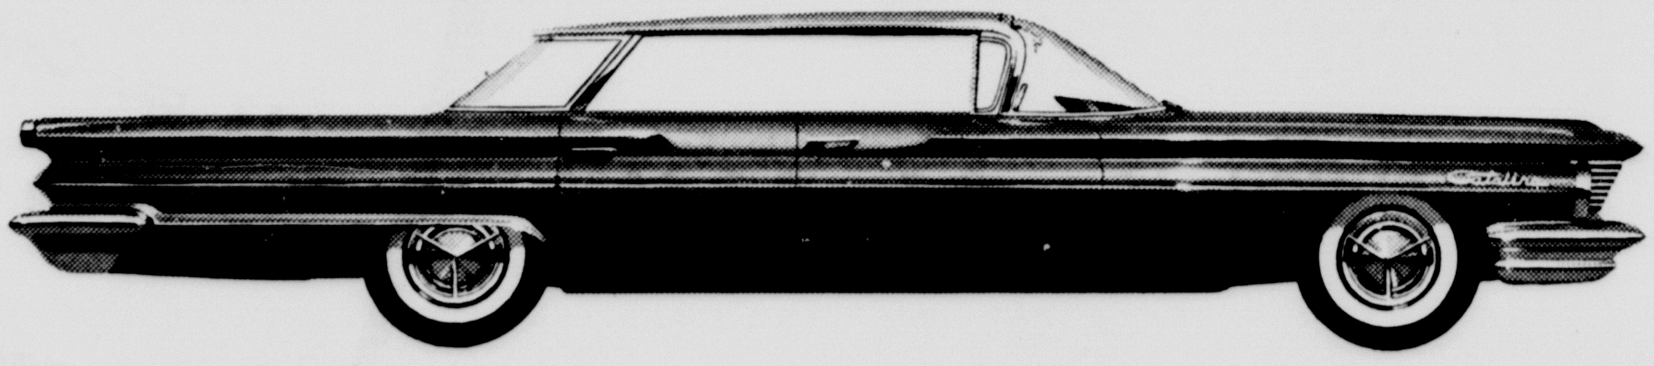
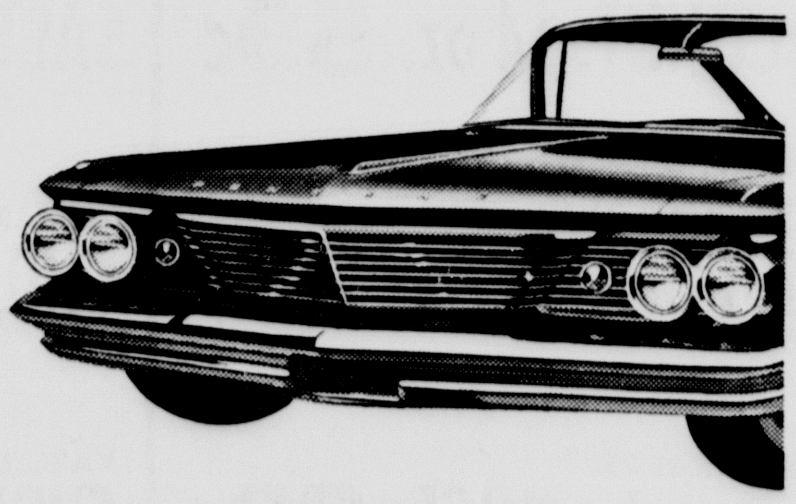
fresh new beauty
from the only car with
Wide-Track wheels!



A car is a living thing.
And all living things must change.
This is why the creative car builders of Pontiac took the proved principle of Wide-Track Wheel Design and surrounded it with fresh, exhilarating, totally new beauty for 1960.
The prow is styled for excitement.
The horizontal bars bear the artistry of the classical.
The perfect profile comes from just-right proportion, unity, rhythm.
The clean, graceful back contributes character where other cars seem only to reflect confusion.



NARROW TRACK
PONTIAC'S WIDE-TRACK
With the widest track of any car, Pontiac's width is on the road—where it gives you better stability. Wide-Track widens the stance, not the car.
Its effect upon your attitude toward driving and owning cars can be quite radical.
For you cannot possess this automobile and be anything less than lighthearted. You cannot control it and be anything less than sportive about driving.
You cannot be seen in it and be anything less than buoyantly proud.

Haddock Stationed At German Base

Lt. Raymond E. Haddock, son of Mr. and Mrs. C. W. Haddock, is at present on temporary duty at Baumholder, Germany, with a 155-millimeter Howitzer battalion.

He has been assigned the duty of reconnaissance and survey officer. In addition, he is forward observer.

He has been assigned permanent duty in Durmstadt in an Honest John Missile Battalion, but he is not going there now because of a shortage of officers at Baumholder.

Lt. Haddock reports a very enjoyable 16½ hour flight from McGuire Air Force Base to Frankfort, Germany.

"On the flight over, I saw the Emerald Isle of Ireland, and flew across the Irish Sea and over London, England. We then crossed the English Channel and flew over Brussels, Belgium.

"This is a great country."

Southerners Blast Buffaloes, 37-6, for WT's Fifth Defeat

Mississippi Southern displayed a rock-ribbed defense and a dazzling offense Saturday night as the Southerners handed West Texas State its fifth loss of the season.

The final outcome was never in doubt as the Southerners, the No. 1 small college team in the nation, downed the hapless Buffaloes, 37-6, before 5,000 fans in Buffalo Stadium.

The Buffs had penetrated only to the Southern 35 yard line until the fourth quarter when quarterback Jim Dawson passed to end Fred Hedgecoke for the WT touchdown. Hedgecoke caught the ball and fell squarely on the goal line for the counter. A high pass from center spoiled the conversion attempt.

Scored Every Period

Mississippi Southern tallied once in the first period, twice in the second quarter, twice in the third canto, and once in the final quarter.

The Southern defense was the big difference, however, as it held the Buffs to a minus net yards rushing until late in the third quarter. First half statistics showed the Herd with a minus seven net yards rushing.

Coach Clark Jarnagin' crew finished the game in the black, however, with a total of 48 net yards rushing and 117 net yards gained passing. The Buffs allowed 292 net yards rushing and 168 net yards passing.

Lorance, Jolly Team Up

Freshman halfback Bill Lorance teamed with junior halfback Ned Jolly to lead the Buffs out of the woods in the fourth period for the Buffs' only score.

Consistent gains by the two halfbacks set up the Dawson to Hedgecoke aerial which posted the six points with 7:03 left to play.

After Dawson returned a Southern kickoff from the WT 5 to the WT 28, the frosh quarterback threw incomplete to halfback Jimmy Janes, then handed off to Lorance who scampered for 12 yards to the WT 40. Lorance got four more yards before Dawson tossed to Hedgecoke for 11 yards and a first down on the MS 45.

Jolly Gets 18 Yards

Lorance then picked up six, and Jolly got 18 big yards on a carry to the MS 21. After a Dawson to Hedgecoke pass was incomplete, Lorance carried to the MS 15, then rammed for two more yards to the MS 13.

Jolly gained five more yards to the MS 8 before Dawson connected with Hedgecoke on the goal line for the TD. The snap to guard Wayne Parker for the PAT was high and the conversion attempt didn't get off the ground.

The Southerners scored the first time they had the ball, going 76 yards in 15 plays. Quarterback Don Fuell went the last nine yards on a keeper play around right end. End Hugh McInnis booted the extra point from the WT 18, after Mississippi was penalized 15 yards.

Mississippi drove 60 yards for its second TD, with Billy Larson climaxing the march with a four-yard pass to Andin McLeod in the end zone. The pass attempt for PAT was incomplete, with the Southerners ahead, 13-0.

A bad pass from center to Lorance in a punting situation set up the next Southern TD, with the Mississippi eleven getting possession of the ball on the WT 18.

Fullback Buddy Supple was assisted by three key blocks in traveling the 18 yards for the MS tally on the next play. Fuell passed to McInnis for the two-pointer, and the Southerners led, 19-0, at halftime.

MS Recovers Pitchout

As the third quarter got underway, Southern recovered a fumbled pitchout on the WT 15 and seven plays later Southern made it 25-0 with a Fuell to McInnis pass for the PAT incomplete.

With 55 seconds remaining in the third period, Dan Pugh carried for 11 yards to paydirt, capping a 79 yard march that took eight plays.

Jolly broke through to spill Morris Meador and spoil the conversion run attempt. Southern was leading 31-0.

The Southerners opened the fourth quarter with their final TD. The scoring play was a seven yard pass from Meador to Charley Dedwylder. Meador's PAT try failed.

Jack Foster is on a business trip to Mineral Wells this week.

Mr. and Mrs. John Barnes and John McGehee were dinner guests in the J. T. McGehee home near Goodnight Wednesday.

New Law Requires Titles For Trailers Over 2 Tons

Bill Money, Randall County tax assessor-collector, says that certificates of title are "old hat" to owners of motor vehicles and house trailers, but now trailers over 4,000 pounds must be titled to conform to a new law.

Serial numbers and ownership proof may cause delay, so Money urges that trailer owners apply now to avoid last minute disappointment at registration time in February and March.

RAILROAD FEATHERBEDDING:

$500,000,000 LOSS

TO THE NATION—INCLUDING YOU—EVERY YEAR

Featherbedding on the railroads — pay for work not done or not needed — is costing the American people the shocking total of more than $500,000,000 a year.

You pay for it every time you shop, because featherbedding costs are hidden in the price of everything you buy.

Obsolete union work rules, involving the railroad operating employees, are responsible for this gigantic burden. Right now, for instance, these rules require every diesel locomotive to carry a fireman — even though diesels have no fires to stoke, no boilers to tend.

The forthcoming negotiations between the railroads and the unions are urgently important to the whole nation.

In asking the unions to drop these featherbedding rules, all the railroads ask for is **a fair day's work for a fair day's pay.**

Attorneys File Answers In $80,000 Wreck Suits

The law firm of Lair and Williams has filed a one sentence answer to the charges against Randall County and B. E. McCormick, commissioner of Precinct 1, in 47th District Court here.

The county and McCormick were named in petitions filed by Mr. and Mrs. Herman W. Hintz and Louis G. Huckabay, all of Amarillo.

The suits grew out of a traffic accident northwest of Canyon June 19 in which the daughter of Mr. and Mrs. Hintz was killed and the son of Mr. and Mrs. Huckabay was injured.

Ask for $65,000

Mr. and Mrs. Hintz are asking for a total of $65,000 damages in the death of their daughter, Mona ;Rae, while Mr. and Mrs. Huckabay are petitioning for $15,000 for injuries sustained by their son, Tony Conrad.

The petitions claim the county and McCormick were negligent in not posting warning signs, in allowing the "dangerous condition" to remain as constructed, and in failing to make the road safe for residents and travelers.

Miss Hintz was killed and young Huckabay injured when the car in which they were riding overturned after it failed to negotiate a curve on the Canyon City Club Road about 11:50 p. m. June 19. Huckabay was driver of the vehicle.

Denies Allegations

In the answer to the charges, Lair and Williams say, "Defendant denies each and every, all and singular of the allegations contained in the plaintiff's original petition and demands strict proof thereof." The statement was filed in answer to both suits.

The firm of Lair and Williams is composed of A. W. Lair, Randall County criminal district attorney, who signed the answers, and Dale A. Williams. The firm's office is in Canyon.

The Hintz family is seeking $50,000 as compensation for future earnings lost to the family by the daughter's death and $15,000 as compensation for loss of the daughter's help with household chores.

The Huckabay claim asks for $5,000 for injuries suffered by the son, $5,000 for compensation for incapacitation since the wreck, $1,000 for hospital and medical care bills, and $4,000 for deprivation of the son's efforts and contributions since the wreck.

County Farm Bureau Recommends 90% Parity, Controlled Allotments

Resolutions adopted by the Randall County Farm Bureau in Thursday's county convention included recommendations that wheat and feed grain crops be supported at 90 percent of parity and that acreage allotments be strictly controlled.

The resolutions recommended that rigid controls on acreage be enforced to bring supply in line with demand over a 10 year period.

Go to State Convention

Recommendations adopted by the county convention go to the state convention, to be held in San Antonio November 9-12. If they are approved there, they go to the national American Farm Bureau Federation convention. National resolutions are submitted to the Secretary of Agriculture for inclusion in the nation's farm program.

This "voice of the grass roots farmer" gives local farmers a voice in making an acceptable farm program, according to Mrs. Alfred Hamblen.

Other Resolutions

Other resolutions adopted included:

The Randall County Farm Bureau favors retaining Colson-Briscoe money for rural road construction.

The Randall County Farm Bureau will oppose any state legislation providing for compulsory realignment of county commissioners' precincts.

Taxes should be assessed on a pro rata basis between landowners and mineral or royalty holder.

Cost of control of weeds and grasshoppers should be included in Soil Bank payments.

Sanitation requirements on milk shipped into Texas be the same as standards under which local milk is produced.

Randall County Farm Bureau favors using 18 percent of net collections of motor fuels taxes to be used for both construction and improvement of rural roads.

Joe Gidden Will Get 10-Year Service Pin

Joe Gidden, district manager for Southwestern Public Service Company, will receive a 10-year service award at the 11th annual dinner honoring the company's Panhandle Division employees Friday night at the Amarillo Country Club.

T. W. Gilstrap, division manager, will present the award to Gidden.

There are 60 Public Service employees being honored at this year's affair, with a total service of 795 years. The top award goes to an Amarillo man, Ernest A. Fowler, for 40 years service.

AROUND TOWN

Continued From Page 1

of their daughter, Mrs, Rhome Mobley, and family, while she is in the hospital, and will stay until she has recuperated from her operation.

★

Pvt. Jimmy Ross Bond, son of Mr. and Mrs. J. D. Bond, has finished his nine weeks basic training at Fort Knox, Ky., and is being transferred to Fort Dix, N. J., for four months.

★

Mr. and Mrs. Norman Glenn visited with Mr. and Mrs. Grant Pierce in Amarillo Sunday.

★

Mr. and Mrs. George Vandergriff and children of Roswell, N. M., spent the weekend with his mother, Mrs. Mattie Vandergriff.

★

Mrs. C. W. Whittington, Sr., has moved to Canyon to make her home with her daughter-in-law and her grandchildren, Mrs. Joe Whittington and children, at 1903 Sixth Avenue.

★

Mr. and Mrs. John Wright of Murphysboro, Ill., are visiting with their son and family, the Charles E. Wrights.

★

Mrs. R. D. Lowry is visiting friends in Big Spring.

★

Mr. and Mrs. A. W. Harding and Jim spent Sunday in Dumas visiting their daughter and family, the Roland D. Limers, and viewing their new granddaughter, Lesli Mone't, who arrived Saturday.

★

Guests in the home of Mrs. J. W. Norvall and Dr. Leta Boswell last week were Mrs. Norvall's grandson and family, Mr. and Mrs. Claude Blackwell and three boys, of Three Rivers, Texas.

★

Mrs. Larry Roush of Santa Monica, Calif., spent several days with her mother-in-law, Mrs. E. J. Larson. She will visit in Kingsland, Texas, with her parents, Mr. and Mrs. Arley Proctor, and will return to Canyon for a short visit before returning home.

★

Guests in the G. B. Combs home this week were C. V. Lowe of Gruver who visited them on Tuesday, Mr. and Mrs. T. B. Atkins of Big Spring who visited on Friday and Saturday, and Mr. and Mrs. Homer McAmis of Des Moines, Iowa, who visited on Sunday.

★

Mr. and Mrs. U. G. Swinney and children of Clarendon and Vicki Sloan of Canyon were dinner guests in the George Hill home Sunday.

★

Mrs. Ed Harrell is visiting her granddaughter and family, Mr. and Mrs. W. E. Howse, in Wichita, Kans. Mrs. Howse is the former Shirley Harrell.

★

Mrs. W. E. Haley visited with her daughter Thursday and Friday in Wichita Falls.

★

Mrs. Ellen Dunbar and daughter, Jane, of Memphis spent the weekend with her parents, Mr. and Mrs. B. E. Harper.

★

Mr. and Mrs. Robert Martin and children of Abilene were guests of Mr. and Mrs. John Lill over the weekend.

★

Mrs. B. C. Taylor, Sr., Mrs. R. T. Furlow, Mrs. Mary Bailey, Mrs. Florence Stephenson and Mrs. Ross Service drove to Canadian Sunday to take part in the Canadian Tour.

★

Mr. and Mrs. Henry Parks of Fort Worth and Mr. and Mrs. Walter Hanner have been recent guests in the J. W. Spencer home.

★

Guest in the Clark Jarnagin home this weekend was his sister, Mrs. Clarence E. Taylor, of Lubbock.

★

Rev. Bruce Matthews, son of Mr. and Mrs. J. L. Matthews of Canyon, recently was transferred from the Methodist Church in Mobeetie to the Methodist Church at Booker.

★

Preserve Making Is Topic Of Arrow Point Club

Mrs. John Bourland presented a program on preserve making at the Arrow Point Home Demonstration Club. The group met in the home of Mrs. Toney Bennett Tuesday.

Mrs. Earl Marrs, president, conducted a short business meeting.

Refreshments were served to Mrs. E. T. McCleng, Mrs. Frank Morgan, Mrs. Charlie Walker, Mrs. Gerald Tanner, Mrs. Lilburn Hamilton, Mrs. Clayton Settle, Mrs. Marrs, and Mrs. Bourland.

The next meeting will be October 27 at the home of Mrs. Tanner.

Scouts, Adults See Oil Operations on Post 66 Field Trip

Several boys and adults from Explorer Post 66 recently went on a field trip to Ochiltree County in conjunction with their current project, "Operation Oil."

Members of the post were shown several gas wells, a pumping station, and several drilling rigs.

Adults on the field trip were R. T. White, A. M. Johnson, L. H. Brotherton, Sherwood Blasdel, J. A. Tipton, and representatives of Amarillo Oil Company, one of the firms which sponsored the trip.

The scouts which got a first-hand look at the oil operations were Elo Myers, Wayne Lindsey, Tom White, Bill Cornette, Lawrence Lewis, Eugene Blasdel, Phil Pennington, Harry Lisle, Robert Hutton, Richie Brotherton, Larry Moore, Stephen Greiner, Russell Cook, Marvin Hutton, Joe Whittington, Tim White, and Bobby Bellah.

Overseas Mailing Dates Released

Postmaster Marion Higdon recently released a schedule for overseas mailing which will assure persons of having Christmas packages arriving at their destination in time.

The date for mailing surface parcels to the Far East was October 15, so residents are advised to mail packages for that area of the world soon.

Other dates are Near East, November 1; Africa, November 1; Europe, November 10, and South and Central America, November 10.

"Air service is available to practically all countries of the world, and air mail packages should be mailed during the early part of December in order to reach the addresses before Christmas," Postmaster Higdon said.

Umbarger News

Mr. and Mrs. Alvin Friemel and family have returned from Dallas where they attended the State Fair.

Mr. and Mrs. Louie Wieck and family visited in the Lee Haschke home.

Mr. and Mrs. Bobby Boys spent the afternoon in the Lloyd Bichsel home.

Mr. and Mrs. Carl Hartman spent the afternoon in the Elmer Hartman home in Nazareth.

Mr. and Mrs. Richard Friemel and family, Mr. and Mrs. Ed Wieck and family, and Mr. and Mrs. Lewie Wieck visited in the Harry Friemel home.

Mr. and Mrs. John Wieck visited in the Paul Artho home.

Mr. and Mrs. Carl Frische and girls, Mr. and Mrs. Dennis Brandt and family visited in the Raymond Batenhorst home.

Mr. and Mrs. Noble Brown and family, Mr. and Mrs. Curly Robertson and family visited in the Andrew Lindeman home.

Mr. and Mrs. A. R. Friemel and family visited in the Frank Begert home.

Mr. and Mrs. Joseph Liekhus and family visited in the Joe Wieck home.

Mr. and Mrs. Ray Gerber and family visited in the M. J. Gerber home.

Mr. and Mrs. M. J. Gerber visited in the Henry Gerber home.

Exchanging visits were Charles Stocker with Johnny Henderson, Billy Stocker with Johnny Hoffman, Raymond and Virgil Artho with Dale Artho, and Celene Hasche with Susan Lindeman.

Jimmy Albracht, Ricky Friemel, Dwayne Gerber, Bobby Gerber, Gary Gerber and Marilyn Gerber were birthday party guests of Glenn Gerber.

LOULA GRACE ERDMAN

☆ ☆ ☆

AT WRITERS ROUNDUP

Loula Erdman Named Top Author After Release of Latest Novel

Miss Loula Grace Erdman, West Texas State College faculty member, was one of 25 Texas authors honored Friday at the 11th annual Writers Roundup in Austin.

Miss Erdman was recognized for her latest novel, "The Good Land," one of a series of stories about the Pierce family and the family's life in the Texas Panhandle.

The novel was released recently by Dodd, Mead and Company.

Sponsored By Journalists

Sponsored by the Austin Chapter of Theta Sigma Phi, national fraternity for women in journalism, Writers Roundup was dedicated to the memory of the late writer and naturalist, Roy Bedichek. The roundup was held in the Commodore Perry Hotel ballroom.

Miss Erdman was chosen from a list of 80 authors, after being nominated by the nation's publishers.

The author's latest story belongs to Carolyn, the "baby" of the Pierce family in two earlier books concerning the Panhandle. Now Carolyn is 15 and is finding out how difficult it sometimes is for the youngest child of a big family to grow up.

Misunderstood Intervention

Things are complicated by her loyal — and misunderstood — intervention in the floundering romance of her sister, Katie, her secret efforts to help some pathetic homesteaders, and her newly-found awareness of Jim Foster, the neighbor boy who loves "the good land," the Panhandle, as much as she does.

"The Good Land" is dedicated to Martha Hughes, daughter of Dr. and Mrs. Jack T. Hughes, head of the WT geology department.

Miss Erdman was honored at a special private buffet dinner at the Headliners Club in Austin preceding the roundup, and afterward at an informal party with the press in the home of former governor and Mrs. Dan Moody.

Mrs. Rice Hosts Variety Ring

The Variety Ring met Friday with Mrs. W. L. Rice.

Eleven members answered roll call by telling a recent incident in their life. Club yearbooks were passed out.

Guests were Miss Joyce Barker and Mrs. Lola Cooper, a sister of Mrs. Jeannette Robbins. Others present were Mrs. P. L. Pitt, Mrs. George Barker, Mrs. Earl Burtz, Mrs. J. P. Hammons, Mrs. George Cox, Mrs. Robbins, Mrs. Lang Hunter, Mrs. Leonard Winters, Mrs. Rae Walters, Mrs. Leslie Neal, and the hostess, Mrs. Rice.

BITTER LESSON

Men sometimes learn a great deal by studying the racing forms—but the tuition comes high.

A diplomat is a fellow who can always pass the buck successfully.

The Worldly-Wise Suit

MARCÉ

Globe-trotters or commuters will be perpetually pleased with this versatile suit of Highlander Tweed. The large notched collar punctuates the pretty front paneling and the rich chain ornament at right hipline. Jacket back is darted for fit and trimmed with a self half-belt. Slim skirt with center back kick-pleat Lined in Super Crepe. In Blue, Red, Green. Sizes 10-20.

WARREN'S

Important for Fall

A dashing collar demands attention in a full-length clutch coat styled for Missys. The fabric is luxurious Luminessa. A jeweled pin adds further flair, as do the soft gathers in back collar-line. The roomy pockets are appropriately hidden in deep slashes. A coat for any occasion. Lined in Elegante Milium Satin for weightless warmth. In Blue, Natural, Red, Black, Taupe. Sizes 8-18.

Canterbury House Dedication Held

Dedication of the Canterbury House, the Episcopal student center at West Texas State College, was held recently with the Rt. Rev. George H. Quarterman, bishop of the diocese of Northwest Texas.

Among visitors participating in the ceremony was the Very Rev. Blake B. Hammond, dean of the Episcopal Cathedral in Oklahoma City, Okla.

The new center was opened for the first time this fall. It is located in a remodeled home across from the president's residence on Fourth Avenue. It contains lounges, game rooms, a small sanctuary, and other facilities for student activities.

Officers of Canterbury House are Ned Cross of Lipan, president; Danny Farr of Lubbock, vice president; and Peggy Smith of Shamrock, secretary. The Rev. Joel Treadwell, vicar of All Saints Episcopal Church, is the adviser. Student residents are Mr. and Mrs. David Gantz.

NOTHING FREE

Time may be money, but it has no exchange value unless it is accompanied with hard work.

Jack McCleskey Grinds Out 20-16 Victory Over Eagles

Dalhart fullback Jack McCleskey bulldozed his way for 228 yards in 55 carries Friday night to hand the Canyon Eagles their first District 1-AA defeat, 20-16, before 3,000 fans who braved gale-like winds in Buffalo Stadium.

McCleskey, listed on the program at 190 pounds, was the whole story for Dalhart as he carried the ball more than twice as much as the rest of the Wolves backfield combined. Quarterback David Peeples had 11 rushing tries, halfback Barry Walker carried the ball 10 times, while halfback Tommy Ledbetter had three carries.

The strong winds which whipped Buffalo Stadium completely shackled the Eagles passing attack. Quarterback Jerry Richardson threw only twice, both times incomplete.

Eagles Score First

The Eagles drew first blood in the opening frame when Richardson bootlegged the ball 22 yards for the first touchdown. Tommy Henderson added the two points on a blast up the middle.

The Canyonites had to wait until the fourth quarter to get off a 91-yard match against the wind for their second TD. Fullback Chuck Nester climaxed the march with a seven-yard TD run. Henderson again added the two-pointer.

In the third period, when the Eagles had the wind to their backs, they touched the ball only once. That came when Dalhart tried an on-side kick, which the Wolves recovered after an Eagle had touched the ball.

Recover TD Fumble

The wolves got Tds in the second and third quarters, the first on a fumble recovery in the end zone in the opening seconds of the second stanza.

Canyon's first scoring march began early in the game after Dalhart had kicked to the Canyon 38. From there, it took 10 plays to push across the tally.

Henderson got the drive underway with two two-yard stabs up the middle, followed by an eight-yard gain by halfback Mike Poole around right end. Halfback Jim Marrs carried to the Dalhart 44 with a five-yard gain, Richardson got three at left end, Henderson got three at left tackle, then Marrs gained four up the middle, and Henderson got three more the same way to put the ball on the Dalhart 27.

Marrs Gains Five

Marrs picked up five more yards at left end before Richardson went wide around the right side for the tally. The score came with 7:23 left in the first quarter.

Canyon gained possession of the ball for the first time in the second half when a Dalhart punt went out of bounds on the Canyon 9. The punt was the second play of the fourth period.

After taking the ball on the Canyon 9, Henderson hit right tackle for four, the Eagles were penalized five yards before Marrs got excellent blocking on a 17-yard scamper around left end that put the ball on the Canyon 25.

One The Hard Way

Then Nester got one the hard way, Marrs lost six attempting to sweep left end, Richardson took the ball to the Canyon 36 on a 15-yard keeper around left end, and Henderson got six at right end.

Henderson got three more off tackle, then hit up the middle for three more, Marrs smacked the center of the line for two, Richardson slithered for 10 around right end to move the ball into Dalhart territory.

Nester carried for eight to the Dalhart 32, Richardson was held to a one-yard gain at end, Nester got a first down on a stab over right guard that carried for two.

Richardson Gains

Marrs got three at left end, Richardson passed incomplete to end Jimmy Killingsworth, Nester carried to the Dalhart 19 with a seven-yarder, then Richardson slid around left end for 11 to put the ball on the Dalhart 7. Nester scored on the next play, with Henderson adding the two-point conversion over right tackle.

The scoring play came with 5:15 left in the game.

Walker pounced on an Eagle fumble that went into the end zone with 11:28 left in the second period for the first wolf touchdown, then tried to carry for the extra points. Marrs knifed through to stop the play, however.

73-yard March

Peeples carried over right tackle for one yard for the second Dalhart TD, capping a 73-yard march that took 12 plays. McCleskey carried the ball seven times for 45 yards on the drive, but his dive over right guard was stopped on the PAT attempt.

This TD put Dalhart in front, 12-8, with 4:17 left in the first half.

The Wolves marched 96 yards, which took all but 2:19 of the third quarter, after receiving the second half kickoff. McCleskey carried the ball 20 of the 23 plays it took to score. He racked up 71 net yards rushing on the drive.

Penicks Celebrate 58th Anniversary

Mr. and Mrs. E. C. Penick, Sr., celebrated their 58th wedding anniversary Sunday in their home. Mr. and Mrs. Penick were married at Terrill, Texas.

Children and grandchildren and their families attending the occasion were E. C. Penick, Jr., of Sudan, Mr. and Mrs. L. B. Penick of Pampa, Mr. and Mrs. Chester Ford, Chestene and Mr. and Mrs. Van Ford of Amarillo, and Mr. and Mrs. Byron Ford, and Mr. and Mrs. Art Roberts of Canyon.

Leon Penick was unable to be with his parents but he phoned them from Gallup, N. M., where he is teaching. Miss Estelle Penick, sister of Mr. Penick, telephoned the couple from Madison, Ga.

Other guests were Miss Joan Thomas and Jack Thomas III of Amarillo.

Lipstick Logic

By LOUISE ALLEN

Looks as if the Weather Man is going to skip a season and parachute us right out of summer into the snow. This we protest.

We've grown accustomed to proper behaviour on the part of the seasons. Since childhood, we've known daffodils and apple blossoms mark the beginning of spring; that grass and green trees announce summer; and that autumn leaves herald the arrival of fall. But here we are just 20 paces from short-sleeved cottons and scurrying from one air-conditioned building to the next, when wham! woolen suits and galoshes are in order.

What happened to fall? It's our favorite season! Barring the ragged end-of-summer look the flower beds get, it's the most colorful three months in the year. It's a time of rich harvest, of much activity, and of soft, happy days.

Yet this October finds the trees and grass still summer green. The few leaves that have fallen look tired and discouraged rather than radiant with the usual fall tintings of orange and yellow and red. It's a crazy, mixed-up situation and we want an accounting of the Weather man's reasons. Did Autumn go AWOL? Have we a delinquent season on our hands? Did it break under the strain of bulging school rooms and harried farmers and heavy football schedules? Or did some puckish sense of humor prompt Autumn to sneak off and hide, just to hear us yell?

We're trying to be patient with this freak of nature. We're hastily shortening last year's woolen skirts and huddling at home to listen to radio accounts of rain-soaked football games. But we're warning you, Mr. Weather Man, see that this doesn't happen again!

Stork Specials

Mr. and Mrs. Fred Standley, Jr., of Albuquerque, N. M., are the parents of a son, Reed Leonard, born October 15. Mr. and Mrs. Standley have two daughters, Kim, 8, and Lynn, 5. Grandparents are Mr. and Mrs. Fred Standley of Canyon.

Mr. and Mrs. Roland D. Limers of Dumas are the parents of a daughter, Lesli Mone't, who was born October 17. Grandparents are Mr. and Mrs. A. W. Harding.

Mr. and Mrs. Van Simmons are the parents of a son, Valentine Edwin Simmons, born October 18 in an Amarillo hospital. He weighed 6 lbs. 3 oz. Grandparents are Mr. and Mrs. W. E. Shelnutt of Canyon and Mr. and Mrs. R. H. Simmons of New York City.

The Eagle's Tale

32nd Year Published by The Canyon News for Canyon High School Wednesday, October 21 1959

Food for Junior

Sometimes students have been heard to complain that they had one thing for lunch at school and almost he same menu at home that night.

So, mothers, here are the menus for the remainder of October. If "Junior" eats his lunch at school you will know what to have or what not to have at night for the evening meal.

THURSDAY, October 22—Roast beef, creamed potatoes, buttered English peas, lettuce and tomato salad, hot biscuits, butter and jelly.

FRIDAY, October 23 — Fish sticks, sauce, buttered carrots, potatoes, bread, milk, butter, cake with lemon sauce.

MONDAY, October 26 — Baked ham, buttered corn, buttered English peas, hot rolls, butter, milk, and jelly.

TUESDAY, October 27 — Fried chicken, creamed potatoes, green beans, green salad, bread, butter, milk, chilled peach halves.

WEDNESDAY, October 28 — Hamburger on bun, potato chips, onions, tomatoes, chocolate milk.

THURSDAY, October 29—Irish stew, crackers, pickles, bread, milk and peanut butter.

FRIDAY, October 30—Macaroni and cheese, green salad, green beans, pickled beets, bread and butter, milk, cherry cobbler.

Pat's Hefty Heaves Hie 15 Home Patter

It has been said that practice makes perfect. The French students should be good at asking each other for "little kisses" in accordance with the instructions of their teacher, Mrs. A. K. Knott.

☆

The football game at Phillips proved to be especially interesting for the Canyon High School band. The keys to the band buses were missing when the band was ready to start for home. Bus 15 had to be pushed by band members before it would start.

The trip home was uneventful until number 15 again had to be pushed, this time out of a ditch. Everyone was home at 2 a. m., but this late hour didn't affect the working spirit of the band members.

☆

After a pep rally a typing student solved the problem of being locked in his room by climbing out of the window.

☆

The halls at CHS are getting rather crowded. It seems as if there are about 100 too many students trying to get to class at the same time. A little courtesy and consideration for others would help the situation.

☆

A word of appreciation goes to those students of CHS who have put up the flag every morning and taken it down every afternoon.

☆

The Library Club boasts of having the district vice-president and future president.

☆

There are three sides to every story—yours, mine, and the facts!

—PAT HALEY

Annual Outlook Is Exceptionally Fine

As years come and go at CHS, they are recorded in the yearbook, "Soaring Wings." Judging by the staff and the sponsor, Mrs. Lee Gilmore, this year's should be exceptionally fine.

Mary Bess Brillhart has been named editor, with Karen Sue Parker as her assistant. The business manager is Peggy Sue Hales. Other staff members are Sharon Abbott, layout editor, and Marilyn Winn, photography manager.

Miss Claudia Neelley's Art II class is assisting the staff by preparing the division sheets and any other necessary art work for the annual. This cooperation between the two classes has been a custom for many years.

Mrs. Gilmore says everyone connected with this project is working especially hard to make a November 1 deadline for the first 16 pages.

The Eagle's Tale

Published bi-monthly during a school term by members of the journalism class of Canyon High School. Published by The Canyon News for Canyon High School since 1925. Member of the Panhandle High School Press Association, Interscholastic League Press Conference, and Quill and Scroll. Winner of the 1952 PHSPA Community Service Award. First place 1956 PHSPA General Excellence.

Acting Editor .... Stephanie Conboye
Assistant Editor .... Harolena Ladehoff
Business Manager .... Don Guill
Sponsor .... Miss Mary Carter

Students received awards for art work for the Community Concert Association from Mrs. Clay Cooper, representative of that organization, in assembly. From left to right are Rosemary Rudow, Sharon Abbott, Morris Steen, Joy Harter, Joyce Parsons, Joel Reese, Mary Barger, Billy Triplett, Linda Steen, Carolyn Sue Frank, Mrs. Cooper, Pamela Richard, and Rev. Dale Harter (seated).

☆ ☆ ☆

Community Concert and Art Awards Presented in Assembly

Awards for art work done in relation to the Community Concert were presented during the assembly last Wednesday morning by Mrs. Clay Cooper, member of the board for Community Concert.

Carolyn Sue Frank and Pamela Richard received albums and memberships to the Community Concert for their three-dimensional posters. Carolyn Sue and Pamela were also guests at a workers' dinner at Dr. and Mrs. Ples Harper's home, October 3.

Sharon Abbott and Morris Steen won honorable mention for their paintings of impressions of Rabin's music.

For two-dimensional posters, Mary Barger, Joel Reese, Joy Harter, Billy Triplett, and Linda Steen won concert memberships.

Rosemary Rudow won honorable mention and concert membership for abstracts of impressions painted while a record of Rabin's music was being played.

Mrs. Mary Kelly, national representative of C. C., discussed this season's concerts. Kerry Knorpp also discussed the concerts.

Panel Climaxes FHA Meeting

A Father-Daughter panel climaxed the Future Homemakers of America's second meeting. The panel, composed of fathers and daughters, discussed how each felt about training—religious, disciplinary, and others.

The panel was headed by Marion Henson, program chairman, with Lynne Larson, Karen Brewster, and Linda Green as FHA representatives. The fathers were Mr. L. H. Brotherton, Rev. Doyle Ragle, Mr. Virgil Henson, and Mr. Wilford Taylor, Jr.

The Canyon FHA chapter sponsored a dinner for the members and their fathers, October 6. After dinner the meeting was called to order by the president, Dorothy Higdon, and the opening ritual was read, followed by songs with Judy Wilson leading and Barbara Ervin accompanying on the piano. Then reports were given by Peggy Sue Hales, treasurer; La Vonne Patterson, secretary; and Linda Burgess, national committee chairman.

The Homemaking I and II students were formally accepted into the chapter. Entertainment by the Los Hijos de Fuego with guitars, drums, and piano was the remainder of the program.

Speech Instructor Attends Meeting

Mrs. Lee Foster, speech teacher, recently returned from a meeting of the Texas State Speech Teachers Association in Austin. The meeting, October 1-3, was held at the Driskill Hotel. Mrs. Foster was elected to the Executive Council of the association for a two year term.

The program included a debate on the question for this year, "Resolved that the Federal Government Should Substantially Increase Its Regulation of Labor Unions." This debate was presented by two teams from the Houston high schools. Mrs. Foster served on the panel of critics for the debate.

Also included in the series of programs were speeches given by business men on the value of speech in a person's life. A dinner, with Gov. and Mrs. Price Daniel as special guests, was also held.

Mrs. Foster says that the highlight of the convention was the information on the future use of speech which the teachers were able to bring back to their students.

Next year's meeting will be held at the Shamrock Hotel in Houston.

Sales Close For Juniors

Junior magazine sales closed October 7 as it was announced in a final class meeting that $3300 worth of subscriptions had been sold. Juniors receive 40 percent of that total.

There was cheering and shouting as Carolyn Franklin, Melvin Tucek, and Tommy Platt were awarded a phonograph, radio, and watch for being the high salesmen.

Carolyn Franklin was highest, selling $400 worth of subscriptions. Second was Melvin Tucek, selling $300 worth. Third was Tommy Platt, selling $200 worth. Runner-up was Junell Bauer.

Juniors sold magazines for two weeks and met each day in the auditorium to determine the amount of money made up to that time. Names were also drawn out of a box filled with all the juniors' names. If the person whose name was drawn had sold $40 worth of subscriptions, he won $18.

The money made will be used to pay for the Junior-Senior Banquet.

Atkinson Speaks At Assembly

Rev. Strauss Atkinson was speaker for the first Canyon Christian Youth Council assembly in the auditorium last Wednesday morning.

Pastor Dale Harter of the First Christian Church gave the invocation. Mrs. Lee Foster, teacher, led the students in several hymns.

The purposes of the CCYC were discussed by President Sarah Ragle. She also encouraged attendance at the Monday morning devotionals at 8:30 in the auditorium.

Joe Triplett, vice-president of the Student-Faculty Congress, discussed what to do in case fire should break out during assembly.

Mrs. Clay Cooper presented awards to the students for outstanding work for the Community Concert Association. Mrs. Mary Kelly, national representative for the organization, discussed the artists who will appear on this season's concerts.

Juniors, Seniors Take PSAT Tests

Juniors and seniors in CHS will have an opportunity on Saturday, October 24, to take the Preliminary Scholastic Aptitude Test. This test replaces the College Board Scholarship Qualifying Test which was taken last year by juniors for guidance and by seniors for scholarship awards.

The PSAT is given by any high school in the nation that wants to test its students. There is a fee of $1 for each student taking the test.

National Honor Society seniors are eligible for scholarships offered by PSAT if they qualify on the test and if they are bona fide members of NHS.

In CHS nearly twice as many students have registered for the test this year as of last year.

Band, Twirlers To Enter Contest

The annual marching contest with approximately 40 high school bands from Region 11, including our own CHS band, will be held October 27 at the new West Texas State College Buffalo Stadium.

The twirlers are also in this contest. Their contest may begin in the morning and last all day. The twirlers of CHS will each compete solo and in a sextet. Wilma Burkett, Linda Green, Janie Jarrett, Jo Hubbard, Lois Harlan, and Nancy Cleavinger will be the participants.

Judges of the marching contest are Jim Jacobsen from TCU, Pete Long from Oklahoma, and Charles Emmons from the University of Missouri. The bands will start marching shortly after lunch time.

Mr. Herman Demus, band director, stated that about 55 people of the CHS band will be marching and the rest will serve as alternates.

Last year the contest was held in Amarillo because of a larger stadium. Two years ago because of bad weather the contest had to be postponed from the fall until spring.

Council Attends District Meeting

Student council members from Canyon High School attended a district meeting at Tascosa High in Amarillo October 10.

Those attending were Elizabeth Coke, Kerry Knorpp, Phillip Waters, Karen Brewster, Jesse Sheets, and Nedra Fanning.

When students arrived they registered and went to a general assembly. From there they went to two discussion groups with Coke breaks in between.

At lunch Tascosa High entertained with a combo and quartet of boys.

A panel discussion about the American Field Service, an organization for exchange students, was led by exchange students from South America, Greece, Germany, Palo Duro High and Amarillo High.

A general assembly closed the meeting as they elected next year's officers. Canyon ran for president but was defeated by Amarillo High.

WTSC Holds Open House

High school students from Canyon and all over the Panhandle spent last Saturday afternoon and evening at West Texas State College. Since it was their golden anniversary year, WT invited the students to join in the activities on campus for a day.

The visitors were first shown through the excellent facilities of WT, including the Fine Arts Building. At 4:30 high school and college students attended a pep rally to boost the Buffs. The highlights of the day were the football game played at the new stadium and the dance afterward in the Student Union Building.

HISTORY COMMITTEE MEETS

The social study teachers of Canyon High School are a part of the history committee, which is composed of high school and college instructors.

This committee's purpose is to promote coordination in the social study field between high school and college teachers. This area's committee met recently.

Eagle Season Half Over

The mighty Eagles were by press time Friday one game over half way through their current season.

By using ground strength with the winged-T and lonesome end offense plays, the Eagles have so far won over Slaton 16-0, Hereford 38-8, Perryton 26-0, and Wellington 40-0.

The Eagles, under the leadership of Coach Bill Davis, have three games left to play. They are Tulia in Tulia October 30, Friona in Friona November 6, and the final game with Dimmitt November 13 at Buffalo Stadium.

All of the games remaining are conference games. Homecoming will be November 13.

Seniors Win Clothing Drive

The senior class took first place in the World Clothing Week drive, October 5-9, with 69 pounds of clothes. The juniors were second, contributing 51 pounds.

The sophomores came in third with 31 pounds, and the freshmen were fourth. They gave 10 pounds.

The clothes that were given during World Clothing Week are distributed throughout the world by the Christian Children's Fund, Inc.

One Honor Roll Per Semester

The honor roll will come out at the end of each semester this year, says Mr. J. E. Miller, Canyon High School principal. Last year the honor roll came out at the end of each six weeks.

Two divisions, "A" and "B," will compose the honor roll. Grades will be turned in at the principal's office at the end of the semester. To be an "A" honor roll student, you must not have a grade lower than "A minus" during the entire semester. To be a "B" student, you must not have a grade lower than "B minus."

If any student is charged with truancy or a serious disciplinary infraction during the semester his name will be omitted from the honor roll regardless of his grade average. An incomplete grade at the end of a semester will prevent one from getting his name on it.

This honor roll is sponsored by the Canyon Chapter of the National Honor Society. It was begun last year and is being carried on this year.

Instructors Give Demonstration

Mrs. Jewell Hill and Miss Mae Simmons, elementary instructors, presented demonstrations of word building and recognition and reading as the program for the October 13 meeting of the Language Arts committee.

Students assisting Miss Simmons in demonstrating reading were Sammy Richard, Kent Barnard, Virginia Collier, Mary Lou Parks, and Ronald Hartman. They are now second grade students and were in Miss Simmons' class last year. There has not been time this year for her first grade students to progress far enough for a reading demonstration.

Another demonstration with Linda Prichard, Shelly Taylor, Howard Clement, Debbie Vaughan, David Thompson, and Ricky Warren, third grade students, was given on word recognition, through the sound of letters, and word building. They are Mrs. Hill's students this year.

Mrs. Lee Foster, Mrs. Irene Ball, and Mrs. Dorothy McClure were hostesses. Coffee, tea, and cake were served.

Green Hands Are Initiated

Twenty-five new members were initiated into the Canyon FFA chapter October 5 at a regular meeting.

As part of their initiation, the new members had to wear green ink on the right hands for a week. They were called green hands.

Billy Martin, FFA president, was in charge of the meeting. He was assisted by Mr. Ed Dwyer, FFA instructor.

Refreshments were served, following the meeting, by the chapter.

WE ARE SORRY, JUDY

The Eagle's Tale staff regrets that in our last issue Judy Kay Wilson's name appeared in the list of new students. Our apologies to you, Judy. We all know you were with us last year. How could we miss such a beautiful lady?

Drills, Themes, Posters in CHS Celebrate Fire Prevention Week

In the halls of CHS a bell rang. It was the fire signal. All students, teachers, custodians, and others evacuated the building during the fourth period Wednesday, October 7.

Monitors were appointed by the teachers for each class from every class period. One monitor led the students from his class out of the building to an assigned area of safety. The other monitor closed all windows, disconnected electrical appliances, turned off all the lights, and closed the door to the classroom. Upon completion of these tasks the monitor reported to the fire chief, Joe Triplett, that his room was clear.

Authorities reported there was no confusion nor disorder during the fire drill. It was executed with calmness and efficiency. The fire drill was carried out with more alacrity and order than those previously given.

Time of the drill was two minutes and 15 seconds. The principal, Mr. Miller, stated that the drill still needs improvement.

This fire drill was scheduled for Fire Prevention Week, October 4-10. Many sophomores, juniors and seniors handed in themes, posters, and other art work to their English teachers. These three classes were asked to write themes or to illustrate some phase of Fire Prevention Week to observe this week.

Reports Heard From Johnsons

The D. A. Shirley FTA Chapter and Miss Mary Carter, sponsor, received letters from Ocoee and Margaret Lee Johnson. Many students will remember Ocoee and Margaret, who have been active students in our school.

Margaret would have been a senior this year and was very active in speech, FTA, Choral Club, and other organizations. Margaret was to have been president of FTA this year, but she and her family moved to Oxford, Miss., at the close of the summer. The University of Mississippi accepted Margaret's application for entrance; thus she is a freshman in college.

Ocoee is a sophomore at the high school which is affiliated with the University of Mississippi. She said that the clubs and organizations in high school were different from those of CHS. They do not have FTA, FHA, or Library Club, but they do have Hi-Y and Y-Teens. Ocoee also said that they do not have literary meets as Canyon has, but they do have French, Latin, and choral contests.

One of the most interesting activities, she reports, is the Youth Legislature. From each political section a high school boy and girl are elected, just as the adult politicians are. They meet in Jackson, and for one day each a Girls' Legislature and Boys' Legislature is held. The students hold all offices, including the governor's, and for two days the affairs of state are in their hands.

Both Margaret Lee and Ocoee send their best wishes for a happy and successful year in CHS.

If any students are interested in corresponding with Margaret and Ocoee, their address is 1106 South Eleventh, Oxford, Mississippi.

School Heads Meet in Canyon

Administrators of Division 4, District IX, TSTA, assembled in Canyon last Thursday for one of their four regular meetings. About 20 members attended.

Mrs. Cecil Simms, Mrs. T. E. Beard, Mrs. Irene Ball, and Mrs. Alma Perkins presented in a panel the work our school has done on the new course of study for the Language Arts program and a discussion on the work of the state committee.

Other business included plans for a system of reporting to the Texas Education Agency on changes in curriculum.

Combo Returns With New Name

The Los Hijos de Fuego, known last year as the Lonely Ones, are back at the job of presenting popular music.

Members of the combo include Mike Poole, vocalist and rhythm guitar; John Wear, lead guitar; Phillip Waters, drums; Chuck Nester and Don Guill, organ and piano.

The combo and vocalist are backed by a quartet composed of Jimmy Killingsworth, bass; Richard Purcell, baritone; Neal Lemons, baritone; and Ronnie Harris, tenor.

On October 6 the group played for the FHA "Dad's Date Nite," held in the school cafeteria.

Last spring the Los Hijos de Fuego performed at several banquets, including the band banquet. They also played for the Happy Wheat Growers Association dinner at the Happy High School cafeteria.

Club Presents Skit at Pampa

The Loula Grace Erdman Library Club has had two meetings this year. This past weekend members attended the district meeting in Pampa, where they presented a skit.

At one meeting changes in the club's constitution were adopted, and members discussed plans for the trip to Pampa.

There are eight new members in the club. Officers for this year are Clark de Schweinitz, president; Sarah Ragle, vice-president; Helen Guthrie, secretary; Jim Harding, treasurer; Pamela Richard, historian-reporter.

REPORTER-AT-LARGE

RICE COACH PREPARED OWLS FOR 'KING FONDREN' IN 1957

By OSCAR GRIFFIN

If you're going to watch Texas in the Cotton Bowl this New Year's Day, you have just a couple of weeks to get tickets by mail.

I'm not guaranteeing that the Longhorns will be in the Dallas classic; I remember last year, you see, when the Orangemen had the same record they now have. In case you don't remember, the 'Horns dropped games to Rice, SMU, and TCU to finish near the bottom of the heap in the Southwest Conference.

But from the looks of things, Texas has a better team this year than Darrell Royal fielded last season.

The Rice Owls try their luck with the Longhorns this Saturday, and the Owls are always tough on the 'Horns. One of Jess Neely's assistants each year spends considerable time getting the Owls "up" for the game.

When Walter Fondren, one of the finest halfbacks Texas ever had, was a junior in 1957, he was the only thing which drew fans to the game as Texas had its worst season in history.

In the week before the game a corner of the Owl dressing room was roped off, a chair was placed in the center, and a paper crown placed on the chair.

A sign on the wall let every Rice player know that this was "King Fondren's Corner." In addition, "The Eyes of Texas" was played constantly while the Owl gridders were in the dressing room.

Needless to say, Rice beat Texas pretty badly that week. The score was 34-6, I think, and Fondren had one of the roughest nights of his career.

Still, I think Texas has a chance at the Cotton Bowl.

Ticket orders to the New Year's Day game will be accepted starting Friday through November 2. Tickets are $5.50 each this year with a 25 cent mailing fee added for each ticket order.

As usual, a drawing will be conducted after all ticket applications have been received to determine who will get the 25,000 available tickets. You can order as many tickets as you want.

Applications should be mailed to the Cotton Bowl Athletic Association, P. O. Box 7185, Inwood Station, Dallas 9.

Texas may not get to the bowl game, but the Longhorns will take Rice this week.

Here's how I see several area games:

Dalhart at Tulia—Could be a duel between Buzzy Poage and Jack McCleskey, but my guess is that ole "three yards and a cloud of dust" McCleskey will win it for the Wolves.

Friona at Dimmitt—The Chiefs just don't have the stuff to stop Dimmitt, but they'll be trying.

Happy at Bovina—The Mustangs are good, but aren't in the same league with Happy. The Cowboys will make Bovina their eighth victim of the season.

White Deer over Canadian.
Stinnett over Gruver.
Floydada over Post.
Borger over Lubbock.
Sunray over Spearman.
Phillips over Littlefield.

The Canyon Eagles are idle this week, thank goodness. I've missed three of the seven games the Eagles have played this season, for a record of 50 right, 17 wrong. Last week I hit eight of ten.

☆

Raymond Batenhorst of Umbarger said that plenty of ducks have moved in to the lakes and ponds, so maybe the duck and goose hunters in these parts will have a good season.

One man from South Amarillo who heard Raymond telling this was thinking about going water skiing and taking his shotgun along.

☆

Just in case you haven't already heard, it was Miss Mae Simmons who was chairman of the WT ex-students' committee that handled arrangements for Dr. J. A. Hill's autograph party a couple of weeks ago.

Miss Simmons came in a few days ago, and I told her what a cluck I was for the goof-up. She got the last word, however, with this parting shot:

"I wanted to tell you that the next time you change my name, make me a Mrs."

Mothers-in-Law Meet in Dunn Home

Mrs. C. W. Dunn was hostess to the Canyon Mother-in-Law Club Friday.

Mrs. H. C. Hudson conducted the devotional, taking breakdown of righteousness and prayer for world peace as her subjects.

Mrs. J. L. Heims and Mrs. Lewis Harvey became new members. Seventeen members were present.

The club will meet in the home of Mrs. Hudson November 12.

Schramm Given Army Discharge

Don Schramm, son of Mr. and Mrs. Kermit Schramm, former Canyon residents, was recently discharged from the U. S. Army.

Schramm was with the Sixth Infantry, Third Battalion Group, in Berlin, Germany. He sang with the Sixth Infantry Soldiers' Chorus and won several honors on the rifle range.

HOW BOUT THAT

RAMBLING AROUND

DOYLE G. THOMAS

Representatives of the County Agricultural Agencies met recently and set up the conservation practices to be used under the Agricultural Conservation Program for 1960. A total of 18 practices were set up as needed in the county and cost-shares will be paid farmers for using these practices on their land.

Three new practices were added that have not been in the program before. These practices are Rotary Pitting Pastureland, Control of Pricklypear, and Control of Yucca.

The group also decided to investigate the possibility of including a dry land leveling practice for 1960. A practice of this type could be used to level many of the flat lakes we have in this county.

Representatives present at the meeting were J. W. Spencer and C. V. Conatser of Soil Conservation Board of Supervisors; John Brazzil, county agent; Joe Batson, SCS; V. H. Andrews, Farmers Home Administration; and John Wieck, Kenneth Erwin, and Jack Frost, County ASC Committeemen.

☆

Fifty-three Randall County farmers made application to place 10,533 acres of cropland in the 1960 Conservation Reserve Program. The deadline for filing an application was last Friday. These farmers competed on a bid basis with the rest of the farmers in the state and it will be around November 1 before it will be known how many of the applications can be accepted.

If all of the 10,533 acres can be accepted it will make a total of 33,000 acres in the reserve in Randall County.

DON ZIMMERMAN

District Governor Visits Local Lions At Weekly Meeting

Don Zimmerman, governor of district 2-T-1 which includes Canyon, was a guest of the local Lions Club last week at the civic organization's weekly luncheon meeting.

Zimmerman, who has a hardware business in Hereford, spoke on Lionism to the approximately 40 Canyon Lions at the meeting. A delegation of Lions from Hereford attended the meeting with the district governor.

The governor has been a Lion since 1946, and has served the district as zone chairman in 1957 and as a deputy district governor in 1958. He has held all offices in the Hereford Lions Club.

During the year, Zimmerman plans to visit the 60 Panhandle Lions Clubs included in his district.

Drama Study Set at College

A drama workshop Saturday at West Texas State is expected to attract more than 200 high school thespians from throughout the Panhandle.

The workshop, begun last year, is sponsored by Buffalo Masquers, WT dramatics club. Program will start at 9 a. m., and will be held in the new Branding Iron Theatre in the Fine Arts Building. Registration will be held from 9 until 10 a. m.

A one-act play, to be directed by Mrs. William A. Moore, will be cast and presented at the close of the morning session.

Casting will be done at the 10 a. m. general session, and rehearsals will be held before the play is presented at noon. Group demonstrations in lighting, flat construction, costume making, and make-up, will be held from 10:30 until noon.

Visiting students will see the final and matinee performance of "A Midsummer Night's Dream," directed by William A. Moore, at 2 p. m. Interested students are also invited to attend the show's strike party following the performance.
